In the Matter of:

THE TARIFF APPLICATION OF       )  
LOUISVILLE GAS AND ELECTRIC    )   CASE NO. 9063  
COMPANY, INC.                     )

O R D E R

IT IS ORDERED that Louisville Gas and Electric Company, Inc., ("LG&E") shall file an original and seven copies of the following information with the Commission within 10 days from the date of this Order. If the information requested or a motion for an extension of time is not filed by the stated date, the Commission may dismiss the case without prejudice.

1. Does Texas Gas' transportation rate have to be finalized before LG&E can put a transportation rate into effect?
2. Is customer-owned gas transported through Texas Gas counted as part of LG&E's maximum daily volume from Texas Gas?
3. How much unused capacity does LG&E currently have in its system that could be used for transportation?
4. What added cost does LG&E expect to be associated with this service?
5. What is the minimum volume level to qualify for service under this arrangement?

6. What is the estimated loss in Mcf sales and the revenue impact of the implementation of this tariff?
7. Will changes in the transportation charge be filed with each successive PGA filing? Was a transportation charge that does not change between rate cases considered?
